

Dear Sanitary District Customers,

Iron River Sanitary District is implementing an electronic payment option that will automatically transfer your water & sewer payments from your personal savings or checking account to the Sanitary District. Many residents have requested this form of payment over the past several years and the Sanitary District is pleased to offer such a service.

An Authorization Agreement for Automatic Debit will need to be completed if you are interested in participating in the automatic payment process. This agreement serves as authorization for the Sanitary District to withdraw money from your savings or checking account.

If you choose to discontinue this form of payment, written notification must be submitted to the Sanitary District requesting termination of the automatic payment process.

If you have any questions or need additional information, please contact the Sanitary District office.

Sincerely,

Iron River Sanitary District

AUTHORIZATION AGREEMENT FOR AUTOMATIC DEBIT (ACH Debit)

I hereby authorize Iron River Sanitary District No. 1 to initiate debit entries to my account indicated below and the financial institution named below to debit the same to account. I acknowledge that the origination of ACH transactions to my account must comply with the provisions of the United States law.
